

Static Caravan Buying Guide: What to Look For

Budget

Set a clear budget, including purchase price and annual fees.

Location

Choose a park near your favourite destinations or natural scenery.

Running Costs

Consider utility costs, site fees, and any extras.

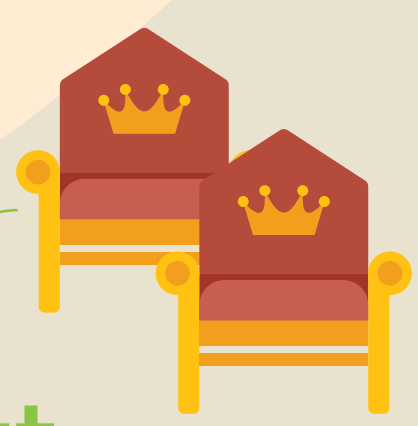

Park Facilities

Look for on-site amenities like pools, shops, and activities.

Size

Ensure the caravan suits your family size or usage needs.

Layout

Check interior arrangements for practical usability.

Condition

Inspect for signs of wear on both interior and exterior.

Accessibility

Look for features that accommodate mobility needs.

Warranty and Insurance

Ensure coverage for peace of mind.

Future Resale Value

Invest in a caravan with long-term market appeal.
