

# The Cost of Static Caravan Ownership Explained

## Purchase Price

Prices vary depending on size, model, and location.

## Site Fees

Annual fees for pitch rental, covering upkeep and facilities.

## Utilities

Costs for water, electricity, and gas usage.

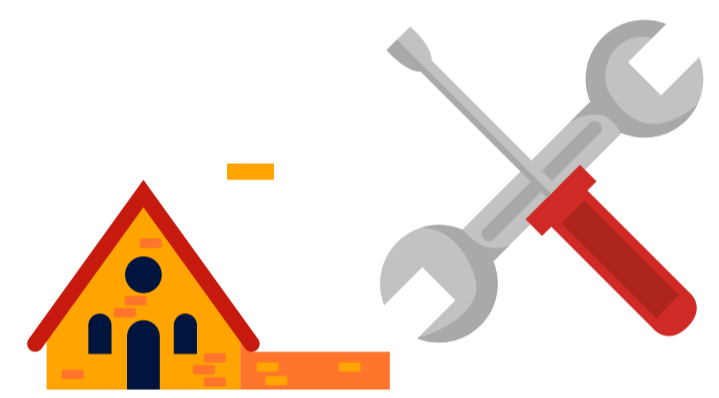

## Insurance

Protect your investment with comprehensive coverage.

## Maintenance

Budget for repairs, cleaning, and upkeep.

## Council Tax

Some parks may require this additional payment.

## Transportation

Costs to deliver the caravan to your chosen park.

## Upgrades

Optional enhancements like decking or new furnishings.

## Resale Value

Consider depreciation when planning long-term costs.

## Tips for Saving

Rent out your caravan or negotiate fees to offset expenses.
