

Combining comfortable, home-from-home features with further luxurious touches.

Free-standing sofas in the lounge are set at right angles to each other around the TV stand and sliding patio doors.

The dining table is pushed up against the back of the sofa which is surrounded by four high-backed, upholstered chairs. Shaker-style kitchen cupboard fronts give a fresh twist to the traditional, L-shaped, kitchen area, with ample worktop and cupboard space which enables you to cook and socialise.
